The Eagle Firefighters spend countless hours training and performing community service. In the picture below, the Eagle Fire Department is removing trees on the 3.2 mile long "3 Cities Path" which will extend the Boise River Greenbelt on the South Bank of the South Channel from Garden City to Eagle Road.

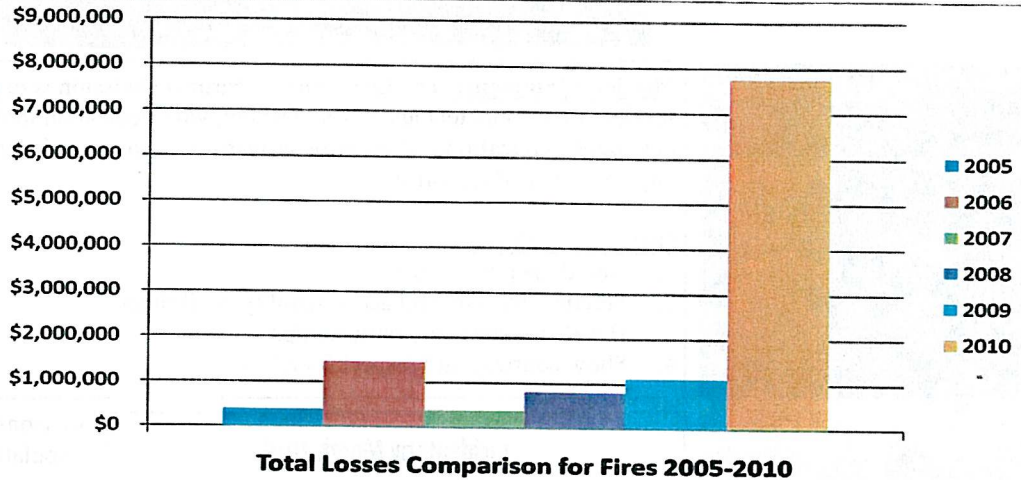

Our firefighters are always willing to give a helping hand. Even if you are a deer stuck in a lake or some ducklings stuck in a storm drain, they are there to assist you!
